## PARISH ANNOUNCEMENTS

### FEAST OF OUR LADY

Our thanks to those who took part in last Sunday's Annual Feast Mass and Procession in honour of Our Lady. Also, thank you to those who made monetary donations and to those who donated gifts for the bazaar. We take this opportunity to thank our parish choirs, organist, lectors, ministers of communion, altar servers, ushers, and all the various performers at the social gathering. A special word of thanks to the volunteers who organized and worked tirelessly behind the scenes preparing for the feast, decorating the church and statues, cooking for the food sale, setting up the bazaar and sound system, and the many other various tasks. The feast income will be for the church maintenance. Once again, thank you and may the Lord bless you always.

### COLLECTION OF CANNED FOOD & HYGIENE PRODUCTS FOR CANADIAN FOOD FOR CHILDREN

Leprosy is an infectious disease caused by the bacteria, Mycobacterium Leprae. This bacterium destroys the nerves and skin. At present in the world, there are 3 million patients disabled by leprosy. Each year there are 100,000 people diagnosed with leprosy and thousands more who are not diagnosed, because they are too poor to see a doctor and cannot afford to buy the medicine. Dr. Andrew Simone, from Canadian Food for Children, was at the leprosy hospital in Africa, and asked the patients to make a wish list, which is as follows: rice, vegetable oil, honey, jam & marmalade, sugar, canned meat, canned fish, iodized salt, laundry soap, hand soap, toothpaste & toothbrushes, kitchen utensils, bed sheets & pillowcases. During this month of September, we will be collecting these items to give to Dr. Simone to take to Africa in November where he will go to the leprosy colony to bring these gifts. Your contribution is greatly appreciated and needed.

### CHOIR MEMBERS NEEDED
